
Before you login be sure that you have the following ready:

- the design file (normally a gds or cif file)
- the text file with the mask specification
- your project number and task (if you don't know these numbers ask your supervisor)
- surname of the person who has to approve your order (normally your supervisor)

Submit your order.
Be aware that the order is not placed at Compugraphics until it has been accepted by the approver.

After approval you should receive a mail within 24 hours from Compugraphics with control plots, which you have to look through and confirm before the mask is produced.
